Keep it legal

#KeepitChristmas

When you are out and about

- Be aware of your surroundings and what is going on around you especially in busy shops or crowded streets. Help deter thieves and pickpockets by keeping valuables within *inside* clothing pockets
- Only carry cash and cards that you need and always shield the PIN pad when entering your card PIN
- Be careful where you park your car. Try to choose a well-lit space covered by CCTV and avoid returning to your car to leave purchases mid-way through your shopping trip. If you must leave shopping in your car, make sure they are left out of view in the boot and the car is locked; and keep receipts with you
- Never leave your bag unattended on your trolley whilst shopping
- Try to avoid taking young children into busy shopping areas but if it is unavoidable make sure they know what to do if they lose you - for example, they should tell the nearest counter assistant that they are lost and never leave a shop without you. For older children agree on a meeting point in case you get separated

At Home

- Don't leave presents under your Christmas Tree if they are visible from windows or doors. If you are storing presents in sheds or outbuildings, make sure they are securely locked
- Always keep doors and windows locked, #9pm routine
- Make your house look occupied while you are out by using a timer switch to operate lighting
- Be mindful about what you post on social media – don't broadcast when you are away from home or about expensive gifts in the house

Your Car

- At home always lock your car and, if possible, park it in a secure garage
- When you go out shopping be careful where you park your car. Try to choose a well-lit space covered by CCTV and avoid returning to your car to leave purchases mid-way through your shopping trip. If you must leave shopping in your car, make sure they are left out of view in the boot and the car is locked; and keep receipts with you
- Don't leave your car unattended and running on frosty mornings
